

**November/December 2017**

## **NATIONAL GIVING DAY**

As National Giving Day nears (Tuesday, November 28), we are reaching out to family and friends who understand the challenges of life with neutropenia.

The purpose of our organization is to help patients and families. We ease isolation through programs that bring patients together for mutual support. As an organization representing those living with a rare disease, we rely on those who understand the realities of life with neutropenia for our support.

Your generous donation allows us to support individuals who have neutropenia and the work of the National Neutropenia Network. Make your tax-deductible donation today and together we can help support others with this rare condition. Thank you for your support.

## CHANGES AT THE NETWORK

There have been several changes over the past couple months at the National Neutropenia Network. Mariel Lewis had joined the network in January 2017; but this fall she had an exciting opportunity to expand her business. We wish her the best.

Our [website](#) had a recent face-lift. Check it out if you have a chance. It's classy.

We have been more active on social media. Be sure to follow us on [Facebook](#), [Twitter](#), and [Pinterest](#) to be a part of all the action. Buttons are located at bottoms as well.

Our e-Newsletters will be sent to you 4-6 times per year directly through email. Thanks for helping us to save printing costs so we can continue to support those with neutropenia.

Our Patient Support Committee is remarkable. They are brainstorming unique ways we can support those with neutropenia such as webinars, discussion forums, etc. Stay tuned!

## HOLIDAY SHOPPING IDEAS

If you are still thinking about those unique gift ideas, here are some thoughts:

1. Shop on [Amazon](#): Amazon will donate 0.5% of the price of your eligible AmazonSmile purchases to **National Neutropenia Network Inc.**
2. [Neutropenia T-Shirt](#): purchase a t-shirt for that person who may be hard to buy for and support Neutropenia! They will be amazed with your great taste!

*We would like to wish you a healthy  
and happy holiday season!  
Happy New Year*

## SUPPORT OUR MISSION

The mission of the National Neutropenia Network is to promote awareness, education, and research, and to provide a support system for patients with severe chronic neutropenia (SCN) and their families through a national resource network.
