

ROUNDUP APP

Make a Difference

Just by Donating Your Change

How it Works

The Round Up App allows you to automatically donate the change from your credit/debit card transactions.

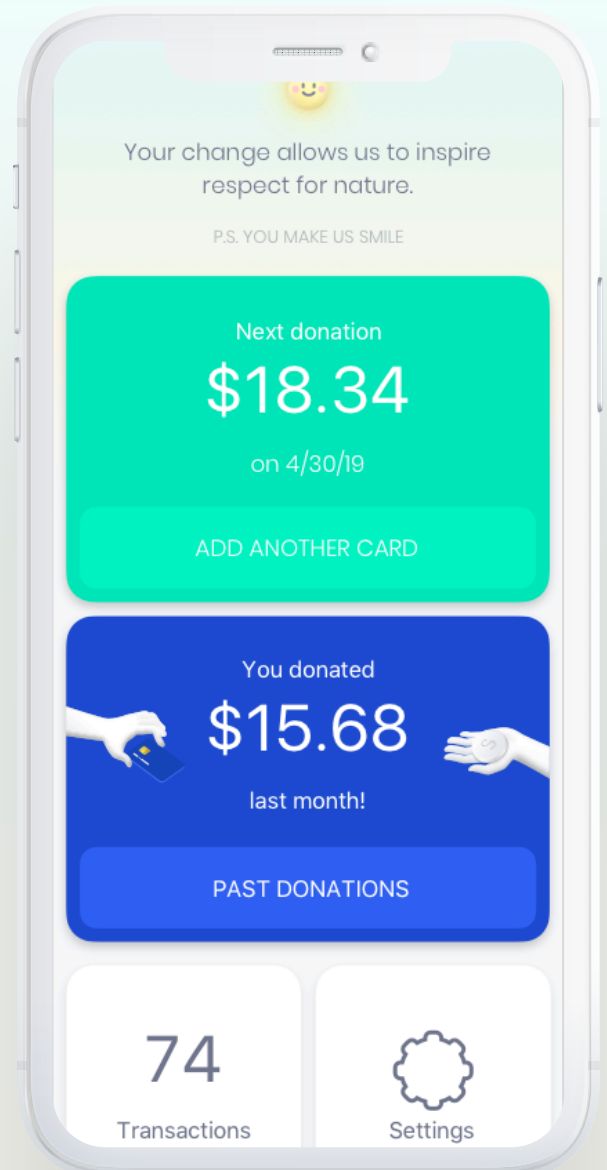

Once you create an account, you do not need to use the app while making a purchase. Just swipe your card as usual!

Impact

- Makes giving effortless
- Provides a critical source of consistent support that allows us to do our work
- The average supporter ends up contributing \$15-\$20 per month
- You can set a cap for the maximum amount you want to donate in a month
- Naturally moves up and down with your spending

Security

The RoundUp App never has access to your credit card number. It uses Stripe as its payment processor, the same company used by Facebook, Amazon, Lyft and 100,000 other organizations.
