## Answering Donor Questions

### No Access to Card Numbers

Donation transactions are processed by Stripe, and only Stripe has access to user credit/debit card numbers.

Stripe is the company that processes payments for over 100,000 organizations, including:

facebook

amazon

## Settings After Setup

After linking their card, the donor has finished setup! From within the app, they can:

- Add or remove cards
- See their donation history
- Change their payment card
- Change their email or password
- Set a cap on their max monthly donation
- Request support (handled by The Round Up App team)
